My Portfolio
Hello, I'm Sanyog Dani. I'm passionate about learning and exploring the world of programming.
I'm currently on a journey to become a programmer and
am excited to connect with fellow enthusiasts, share knowledge, and collaborate on exciting projects.
Let's code and learn together!

About Me
As an individual with a genuine passion for coding and a solid foundation in basic programming concepts,
I am excited about the opportunity to contribute to your team and enhance my skills in a professional setting.
Myy enthusiasm for coding and my eagerness to learn and grow are unmatched.
Through personal projects and coursework, I have developed a strong attention to detail and
a methodical approach to problem-solving, skills that I believe are essential for success in a coding-intensive environment.
Skills :- C/C++ , JAVA , PYTHON , HTML , CSS , MYSQL
